

Services and Resources for Journalists

2007 - 2008

Dear Journalist...

Thank you for your interest in Falcon's Ledge. Our goal is to assist you as quickly and thoroughly as possible. The Falcon's Ledge web site contains information for clients, meeting planners and the media.

Press Photos

High resolution copies of the photographs posted on the web site are available for use by the media and the sporting industry. Requests must be sent by email 7-10 working days before the photograph is needed. The high resolution file will be emailed to you.

Media Visits/Editorial Tours

If you would like to visit Falcon's Ledge for the purpose of writing a story, filming a video or television show, the earlier you contact us, the more we may be able to assist you. To assist you best, we require six weeks notice, longer for visits during our busier months (June-November).

Requests for complimentary or press-rated accommodations are handled on an individual basis.

We are not able to pay for airfare to bring journalists to Falcon's Ledge.

Please send a letter of intent by fax or mail on the letterhead of the media outlet you are representing. Specify the circulation and/or audience of the media you represent, a description of your assignment and the type of assistance you are requesting. If you are a freelance journalist, include the name and phone number of the editor who gave you the assignment.
